Profile:

Dedicated and passionate software engineer with a degree in Computer Applications and a focus on developing scalable and robust software solutions. Demonstrated ability to deliver projects on time and to specifications through internships and personal projects. Eager to bring my strong technical skills and enthusiasm for technology to an innovative team.

Technical Skill:

- Programming language Java
- Front-end frameworks HTML, CSS, Bootstrap, React.js, JavaScript
- Database Management SQL
- Microsoft office (Word, Excel, PowerPoint)
- Power BI

Soft Skill:

- Excellent communication skills
- Ability to work in a team
- Friendly and adaptable
- Quick learner
- Problem solving skills

Internship:

Graphic Designer Intern – AKC Go Abroad

June 2025 – July 2025

- Created visually appealing posters, banners, and social media content for education promotions.
- Assisted in branding and digital marketing strategies through consistent and professional design.
- Collaborated with the content and marketing teams to ensure cohesive visuals aligned with the brand.

Project:

Dynamic product catalog using JavaScript API

July 2026

- Developed a responsive product listing application using HTML, CSS, and JavaScript.
- Fetched product data from a REST API using the Fetch API.
- Dynamically displayed products using DOM manipulation.
- Implemented loading state, error handling, and responsive design for a better user experience.

Digital Cookbook

Dec 2023 – Apr 2024

- Led a team in developing a recipe app using React.js and Firebase, ensuring a user-friendly interface.
- Implemented real-time database, user authentication, and cloud storage with Firebase for a secure backend.
- Coordinated team tasks and communication to ensure timely project completion and high-quality deliverables.

Achievements:

- Certification of Completion course in Full stack development
- TCS ion National Qualifier Test (I have Secured 56.84% in NQT (Cognitive Skills))
- Certificate of Completion (Data Analytics (MS – DA002), Cognizant Foundation, Dec 2023)
- Certificate of Completion (Web Designing, Mannar Thirumalai Naicker College, 2022 – 2023)
- Certificate of Completion (Java Programming, Udemy, May 2024)

Education:

Course	Name of the Institution	Percent of Marks	Year
Bachelor of Computer Applications	Mannar Thirumalai Naicker College, Madurai.	82%	2021 – 2024
